## Backpacking: Eckville to Port Clinton (Pinnacle)

1. Take the NE Extension of the PA Turnpike north to the Lehigh Valley Exit (Allentown,) and turn west on US 22.
2. Notice that US 22 merges with I-78 about a mile from the Turnpike. You'll need to remember to stay with US 22 and not I-78 on your return in order to reach the Turnpike entrance.
3. Go west on US 22/I-78 for about sixteen miles to Exit 35, Lenhartsville.
4. At the bottom of the exit ramp turn left onto PA Route 143, pull over and regroup. It may be hard to find the parking lot on your own. Call Jay on the car phone number below.
5. Go about 3.9 miles and look for a Hawk Mountain Road which tees in from the left. In the past there has been a gas station at the tee.
6. Left onto the Hawk Mountain Road and go about 4.9 miles. Look for a little bus stop shed on the left and turn left just before the shed onto Pine Swamp Road which is little more than a gravel drive going up the hill between two farms.
7. Go about 0.4 miles on Pine Swamp road, over the crest of the hill and look for a dirt road entrance to a game lands parking lot on the right. It's the second dirt road. We'll unload there.
8. The hike will end at Port Clinton, so you'll go home by taking Rt. 61 a short distance to Rt. 22 & 78 East.

Jay's car phone 215-990-6651

# Backpacking: Flatbrookville To Water Gap (NJ)

1. North on 309 approximately 25 miles through Quakertown and Coopersburg to I-78 East.
2. East on I-78 approximately 10 miles to PA Route 33 North.
3. Continue on 33 north for about 30 miles. This will take you through Wind Gap. Route 209 joins with 33 for the last part of this section. Watch for 209 and 33 to split and follow 209 toward Stroudsburg.
7. After splitting from 33, 209 continues for about 5 miles and merges into I-80.
8. Join I-80 and continue east toward the Delaware Water Gap.
9. Cross the bridge into New Jersey and exit immediately.
10. Turn left under the highway into the parking area. This will be the ending point of the hike. Wait for the entire group to gather.

11. Go back under the highway and turn right onto River Road which changes its name to Old Mine Road.
12. Follow River Road/Old Mine Road for about 12.5 miles to Millbrook Road and turn right.
13. Go about 1 mile on Millbrook road and look for the spot where the Appalachian Trail crosses Millbrook road. There should be a sign and a small parking area there. This is our destination.

# Backpacking: Fox Gap to Water Gap (PA)

(Drive time approximately 1 hour and 35 minutes)

1. North on 309 approximately 25 miles through Quakertown and Coopersburg to I-78 East.
2. East on I-78 approximately 10 miles to PA Route 33 North.
3. Continue on 33 north for about 8.5 miles exiting at the PA-191 exit toward Stockertown/Bangor.
4. Follow PA-191 for 14.6 miles and at the crest of a hill watch closely for the AT crossing and a small parking lot on the left. The GPS coordinates for the parking lot are 40.935449, -75.197005. The QR code on the right will load them into your GPS.

## WHEN THE HIKE IS OVER

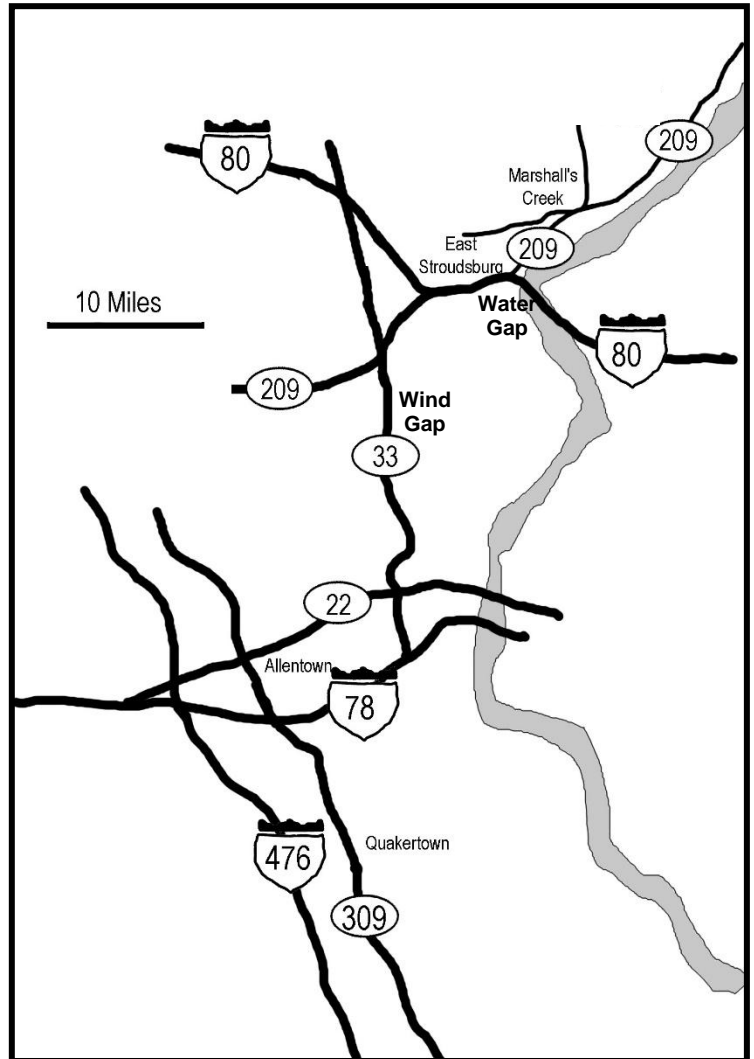

1. Vehicles will be placed on the AT hiker's parking lot at mile 15.4 of the hike just before the trail enters the village of Delaware Water Gap. The GPS coordinates of this lot are 40.980188, -75.142108. The QR code below will load these into your GPS
2. Follow the entrance driveway back to the road and turn right.
3. Continue one block to US-611 and turn left onto US-611
4. Follow US-611 for about two blocks and take the right fork onto Broad Street toward I-80
4. Follow Broad Street a very short distance to the entrance of I-80 West
5. Follow I-80 West for about 5 miles to 209.
6. 209 merges with PA-33 taking you back to Wind Gap. Stay on 33 and return to Maple Glen as you came.

Jay's Car Phone 215-990-6651

## Backpacking: Wind Gap to Water Gap (PA)

1. North on 309 approximately 25 miles through Quakertown and Coopersburg to I-78 East.
2. East on I-78 approximately 10 miles to PA Route 33 North.
3. Continue on 33 north for about 15 miles exiting at PA-512 Wind Gap.
4. Bear right at the exit and follow S. Broadway about  $\frac{1}{2}$  mile into the center of town.
5. In the center of town continue straight on N. Broadway. Do NOT make a right with 512.
6. In another half mile, you'll approach an overpass where PA-33 crosses over N. Broadway. Just before the overpass look for the AT Parking Lot on the right.

## WHEN THE HIKE IS OVER

1. Vehicles will be placed on the AT hiker's parking lot at mile 15.4 of the hike just before the trail enters the village of Delaware Water Gap.
2. Follow the entrance driveway back to the road and turn right.
3. Continue one block to US-611 and turn left onto US-611
4. Follow US-611 for about two blocks and take the right fork onto Broad Street toward I-80
4. Follow Broad Street a very short distance to the entrance of I-80 West
5. Follow I-80 West for about 5 miles to 209.
6. 209 merges with PA-33 taking you back to Wind Gap. Stay on 33 and return to Maple Glen as you came.

Jay's Car Phone 215-990-6651

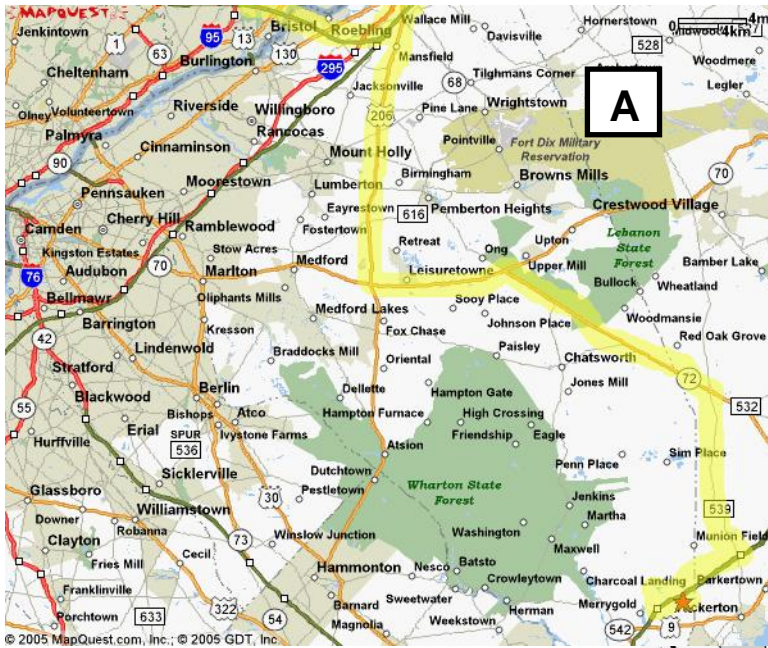

## Directions to Bashore Scout Reservation

1. West on PA Turnpike about 72 Miles to exit 266, Lebanon/Lancaster.
2. North on PA Route 72. After you've gone about 8 miles, you'll pass through the city of Lebanon. Another three miles will bring you into the lower right corner of the map above.
3. As indicated on the map, you'll pass over or under US-22 and I-78. When you've gone another 7 miles (a total of about 18 miles on 72 since exiting the Turnpike) you'll cross Lickdale Road in the town of Lickdale where you'll probably notice signs for Indiantown Gap and I-81. You're getting close at this point.
4. Continue North on PA 72 for about 3 more miles (21 since exiting the Turnpike) watching closely for PA 443 West, Moonshine Road.
5. Turn left onto PA 443 West, Moonshine Road.
6. Follow Rt. 443 West (Moonshine Road) for 2 miles, camp is located on the Left hand side.

## DIRECTIONS TO NO-BE-BO-SCO:

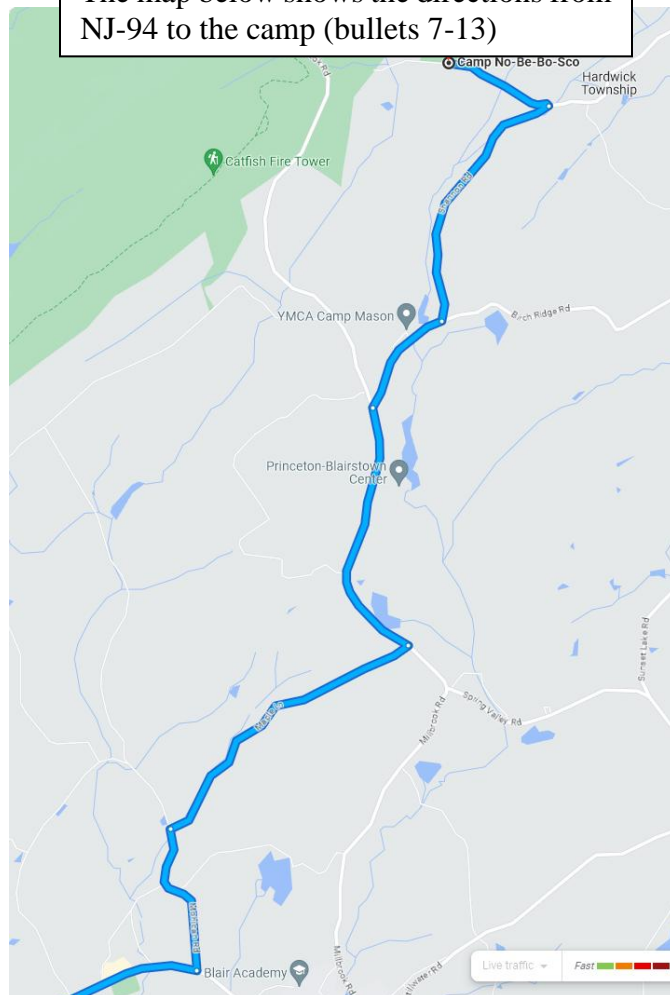

(Drive time approximately 2 hours)

**WARNING: Your GPS will probably give you a route that twists and turns through New Jersey back roads. These directions below follow highways into New Jersey and take less than 5 minutes longer. Although your GPS route may be technically quicker, we recommend this route rather than following unfamiliar back roads at night.**

**We recommend following instructions 1 through 5 on your own and not turning on your GPS until you're already on I-80.**

1. North on 309 approximately 25 miles through Quakertown and Coopersburg to I-78 East.
2. East on I-78 for 11 miles to PA Route 33 N.
3. Continue on 33 north for about 23 miles. This will take you through Wind Gap. Route 209 joins with 33 for the last part of this section. Watch for 209 and 33 to split and follow 209 toward Stroudsburg.
4. After splitting from 33, 209 continues for about 6 miles and merges into I-80.
5. Follow I-80/US 209 East toward the Delaware Water Gap for 10.6 miles, crossing into New Jersey.  
**TURN YOUR GPS ON AT THIS POINT**
6. Take exit 4C to merge onto NJ-94 toward Blairstown.
7. Follow NJ-94 for 7.7 miles and turn left onto Mohican Road.
8. In 0.8 miles turn right onto Maple Lane.
9. In 1.7 miles when Maple Lane ends, turn left onto Millbrook Road.
10. Follow Millbrook Road for 1.4 miles and then take a slight right onto Birch Ridge Road
11. Follow Birch Ridge Road for 0.6 miles and take the first left onto Shannon Road.
12. Follow Shannon Road for 1.4 miles and make a very sharp left onto Sand Pond Road.
13. Follow Sand Pond Road for 1 mile to the camp entrance, which is marked by a small sign, and turn right into the camp. Meet us on the parking lot which is about 1000 feet into the camp.

The map below shows the directions from NJ-94 to the camp (bullets 7-13)

**GPS Coordinates: 41.061928, -74.943001**

## DIRECTIONS TO RODNEY SCOUT RESERVATION

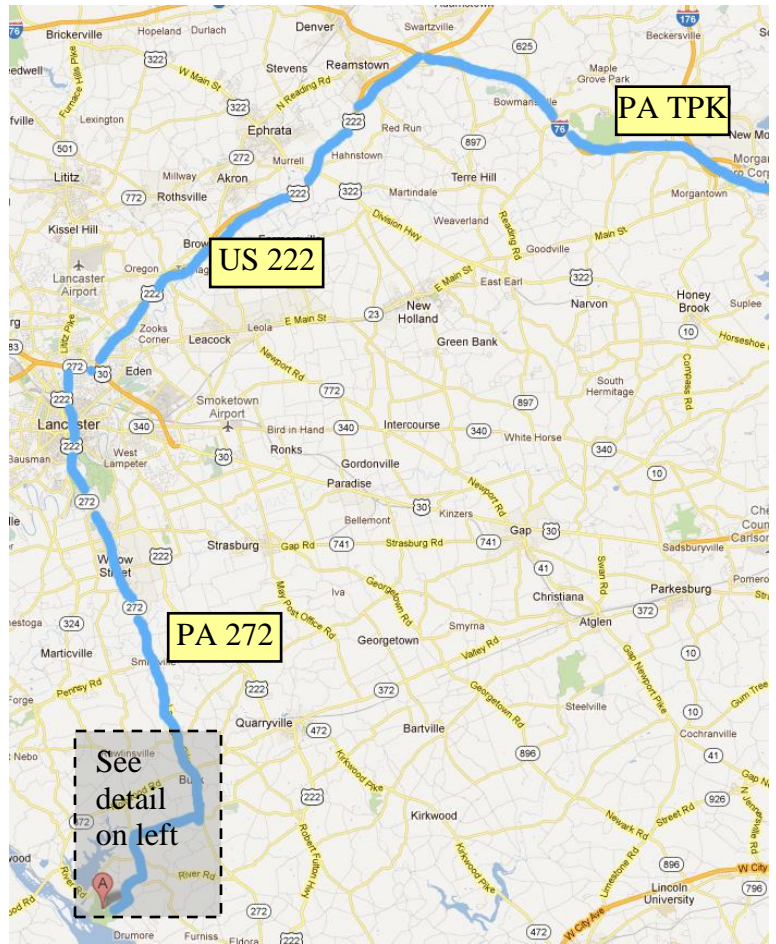

(Drive time approximately 1 hour and 25 minutes)

1. Take I95 South to exit 100 which is MD 272. Exit south on 272 toward the town of North East.
2. Go South on 272 across Rt. 40 and on for another 1.5 miles through the town of North East. As you're going through North East, the road divides and your section becomes one way.
3. When you get to the end of North East the road becomes two way again. Continue 4.2 miles from this point to Red Point Road and turn right. Red Point Road is not well marked, it's about 0.25 miles beyond a now closed nondescript convenience store with a gas pump. Both the store and the road would be easy to miss.
4. As soon as you make the right onto Red Point Road, make an immediate left onto Arrants Rd.
5. The camp entrance is 200 yards on the right. It is still some distance into the camp itself. Turn right onto Rodney Scout Rd
6. Continue on Rodney Scout Road. In 2 miles turn right and immediately turn right again and continue to the parking lot at the Bridge House which is where we check in. Wait for the group there. GPS coordinates for the Bridge House are 39.512347, -75.975492. The QR code on the right will load your GPS with this location.

## LANCASTER

## DIRECTIONS TO SUSQUEHANNOCK STATE PARK

1. West on PA Turnpike to Exit 286, Reading/Lancaster (US-222.)
2. South on US-222. After about 15 miles, US-222 joins US-30W very briefly, then exits again joining with PA-272. Watch the signs carefully and stay with US-222/PA-272 South.
3. After splitting from US-30, continue on US-222/PA-272 South through Lancaster on city streets.
4. About 6 miles after splitting from US-30, US-222 will go off to the left. Rather than go left, continue straight on PA 272
5. Continue South on 272 for about four more miles until you cross 372.
6. Look for Silver Springs Road on the right and turn right onto it. Go about 3.3 miles
7. Turn left onto Susquehannock Drive after about 1.4 miles, look for a sign for the park on the right
8. Turn right at the sign onto Furness Road, continue about 0.2 miles and bear left onto what is once again Susquehannock Drive. These turns are marked with signs for the park.
9. After another 0.8 miles, turn right onto State Park Road. This turn is also well marked.
10. About 1/4 mile into the park, look for a parking lot on the right. The group campsites are on the far side of the lot.
11. The sites are identified by letter and are pre-assigned. Don't start to unload until you know what sites we have.
